

STOP HEATHROW EXPANSION

28th October 2014

I'm writing to you on behalf of the newly-formed campaign group, Stop Heathrow Expansion (S.H.E), to invite you to its official launch on **Thursday 13th November at 7.30pm in St Mary's Church, Harmondsworth (UB7 0AQ)**.

S.H.E has been formed by residents living in and around the Heathrow Villages to fight further expansion at Heathrow Airport, including additional runways, the lengthening of existing runways and any increase in flights.

S.H.E aims to prevent the destruction of homes and communities that are under threat from Heathrow's latest expansion proposals. S.H.E will also press for an end to the repeated threats of expansion at Heathrow that blight the homes and lives of thousands of residents.

Please join us in the battle to save all our communities from increased noise and pollution. Find out why this campaign against expansion is more important than anything that has taken place in the past. SHE members, residents and distinguished guests will explain why a coalition of organisations can succeed. This is your chance to be part of that movement.

Our event is more than just a launch. In addition to a lively run-through of the reasons why we must fight against expansion, there will be an opportunity to meet one another over refreshments in the church hall afterwards. We will also be showing our own short campaign film and some of the best short films from the "No Ifs, No Buts" competition.

We do hope you can make it. Please RSVP by phone or email by 7th November to guarantee your seat.

With best wishes

Neil Keveren (Chair)
and the S.H.E Committee
